ASPIRE LOUNGE BY SERVISAIR
Take a minute for yourself at the unique, new-look ASPIRE lounge by Servisair, opposite gates 27–28. Catch up on work, freshen up or simply unwind – ASPIRE has all you need. You can also book shower facilities. All passengers welcome with entrance fee or Priority Pass.
GATES 27–28

FINNAIR LOUNGE
The main lounge in Finnair's Schengen-flight area is infused with Finland and all things Finnish, from **Eero Aarnio's** "Ball Chairs" to blue and white tableware by Arabia. The lounge is open to members of Finnair Plus Platinum, Finnair Plus Gold, Finnair Plus Silver, Finnair Club as well as Business Class passengers.
GATES 25–26

In addition, a separate entrance to the lounge facilities is available to customers of other airlines and contract customers. One-time passes can be purchased from the lounge reception. Enjoy the outstanding view of the airside terminal area and runways while waiting for your flight.
GATES 22–24

FINNAIR LOUNGE (LONG HAUL)
This long-haul flight area lounge has space for 250 passengers to work or relax, with a buffet and a high-quality wine bar. There's also a private shower room. The lounge is open to members of Finnair Plus Platinum, Finnair Plus Gold, Finnair Plus Silver and Business Class passengers. All other non-Schengen passengers may enter for a fee.
GATES 36–37

SAS BUSINESS LOUNGE
This Scandinavian-style lounge is located in T1. Enjoy a snack or quiet drink before your flight.
GATE 12

HOTELS

CHECK-IN AREA IN T2

The Finnish Piece of Memories jewellery range has different parts for different countries. The Piece of Finland (EUR 59.90) represents the heart of a Finnish home – the kitchen – and it can be hung on a leather strap (EUR 34.90, various lengths) or a silver chain (from EUR 55.90, various lengths). The leather strap can be worn on the neck or wrist.

Take a Little Piece of My Land Now

"Collecting pieces, wearing memories" is a jewellery collection for travellers and their close ones. The company was founded in 2010 by three Finnish women: **Kati Joronen**, **Jonna Holmberg** and **Minna Pajari**. Every item in this collection is designed by local design students in their own country. PIECE OF is a social community as well as a product; there is also a social media base for travelling people to share experiences and travel tips.
